## New Brain Injury Support Group Established

**Phillipsburg, NJ**— A new support group has been formed for people with brain injury in Warren and Hunterdon counties. The support group will allow participants to meet others in similar situations, gain valuable emotional support and friendships, obtain information and resources, and hear speakers discuss a variety of brain injury topics.

The support group will begin meeting on Wednesday, November 25 at 7 p.m. Meetings will be held on the fourth Wednesday of every month at 7 p.m. at Acquired Brain Injury Services (ABIS), 1 Shimer Boulevard, Phillipsburg. Family members of individuals with brain injury are also invited to attend.

This support group is affiliated with the Brain Injury Association of New Jersey, a statewide, non-profit membership organization dedicated to supporting and advocating for individuals affected by brain injury, and raising public awareness through education and prevention.

For more information about the group please contact Randy Fusaro at 1-800-962-4429 or 908-454-0006. For more information about brain injury or The Brain Injury Association of New Jersey please visit [www.bianj.org](http://www.bianj.org).
